DETAILED ACTION

The following action is in response to the amendment filed for application 10/031,358 on July 8, 2004.

Allowable Subject Matter

Claims 17-18, and 24-29 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art of record fails to show or render obvious the electrodynamic drive system as claimed, and particularly including a blocking device formed by an override clutch on an input shaft of the transmission, and including the remaining structure of claims 17 and 18 respectively. The present invention also particularly includes the blocking device formed by the simultaneous engagement of two gear stages, and including the remaining structure of claim 24. The present invention also particularly includes an overrunning clutch between the drive source and electrodynamic drive system, and including the remaining structure of claim 25.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Roger L Pang whose telephone number is 703-305-0445. The examiner can normally be reached on 5:30am to 4:00pm.
